### PREAMBLE

The functioning of institutional bodies is made effective by a functional IQAC.

All the policies and strategies are framed by IQAC and are posted on college website to reach them to all the stakeholders.

An inclusive organogram gives clarity regarding the administrative set up of the college.

The appointment and service rules are followed and communicated to the stakeholders. The functional IQAC prepared a perspective plan and reviewed the deployment of the same. All the efforts get reflected in students' performance in academics and related fields.
