7.1.1 Measures Initiated by the Institution for the Gender equity during the last five years

PREAMBLE

We all Perceive gender on a spectrum, not as two opposing sets of ideas. We should be mindful of the challenges facing people of all gender identities, and be part of a generation that promotes equality for all. Gender equality is not only about the financial position, it is all about treating each other equally and having equal opportunities based on personal abilities and every individuals as a person and not a gender, can achieve success in all dimension
