

NSS Workshop on Environmental Promotion

The NSS unit of St. Vincent College conducted a river cleaning session in Collaboration with Lokayat a group of Social Activists based in Pune dealing in various social, political, economic and

environmental issues. The aim of the session was to foster environmental consciousness among participants. Through the session they learned about the detrimental effects of pollution on aquatic ecosystems. The session emphasized the importance of sustainable practices and community involvement in environmental conservation. Participants pledged to adopt responsible behaviors and came up with a constructive plan to clean rivers in Pune.

The event underscored the NSS's commitment to promoting environmental stewardship and encouraging proactive engagement in addressing pressing environmental issues.
