

River Cleaning Project – Mula Mutha River near Yerwada

The river cleaning drive was a resounding success, thanks to the collective efforts and enthusiasm of volunteers of Lokayat, St.Vincent College students and PMC workers. By coming together to clean up the river and raise awareness about environmental conservation, the community demonstrated its

The Mutha River is a river in western Maharashtra flowing through the city of Pune. A cleaning drive was organized with the objective of addressing environmental degradation and promoting community involvement in preserving natural resources. It brought together volunteers, environmental organizations, local authorities, and concerned citizens to participate in a collective effort to clean up the river and its

commitment to protecting natural resources and promoting sustainable practices. Moving forward, it is essential to maintain momentum and continue working towards the long-term preservation of our rivers and waterways through regular clean-up efforts and proactive environmental initiatives. Our sincere thanks to PMC workers and Mr.Rushal Heena the Lokayat volunteer for supporting us.
