Report on

Cleanliness Drive Organized by Students of St. Vincent College Pune under AICUF Forum at Pepal Cemnory, De-nobili College Vadgoansheri Pune

Introduction:

On 12/07/2022, students from St. Vincent College Pune, under the auspices of the All India Catholic University Federation (AICUF) Forum, organized a cleanliness drive at Pepal Cemnory, located near De-nobili College Vadgoansheri Pune. The initiative aimed to contribute to the community by promoting cleanliness and environmental awareness. 30 students actively participated in the cleanliness drive.

Objective:

The primary objective of the cleanliness drive was to instil a sense of responsibility towards the environment and community among the students. Additionally, the drive aimed to improve the sanitation and cleanliness of Pepal Cemnory, ensuring a hygienic and pleasant environment for visitors and residents alike.

Activities:

Planning and Coordination: The cleanliness drive was meticulously planned and coordinated by Dr. Gilbi John, serving as the program coordinator. Students from St. Vincent College Pune actively participated in the planning process, organizing logistics, and mobilizing resources for the event.

Awareness Campaign: Prior to the cleanliness drive, the students conducted an awareness campaign to inform the local community about the importance of cleanliness and environmental conservation. They distributed leaflets, posters, and engaged in door-to-door outreach to garner support for the initiative.

Clean-Up Activities: On the day of the cleanliness drive, the students assembled at Pepal Cemnory and divided themselves into teams. Equipped with gloves, trash bags, and cleaning tools, they commenced the clean-up activities. The students diligently collected litter, debris, and other waste materials scattered across the Cemnory premises.

Segregation and Disposal: As part of the drive, emphasis was placed on proper waste segregation and disposal. The collected waste was segregated into biodegradable and non-biodegradable categories, ensuring eco-friendly disposal practices. Biodegradable waste was composted, while non-biodegradable waste was sent for recycling or appropriate disposal.

Beautification Efforts: In addition to cleaning, the students engaged in beautification efforts to enhance the aesthetics of Pepal Cemnory. They planted saplings, trimmed overgrown vegetation, and painted boundary walls to create a more welcoming and serene environment.

Community Engagement: Throughout the cleanliness drive, the students actively engaged with the local community, encouraging participation and collaboration. They interacted with Cemnory caretakers, residents, and visitors, soliciting feedback and fostering a sense of collective responsibility towards maintaining cleanliness.

Post-Clean-Up Evaluation: After completing the clean-up activities, a post-clean-up evaluation was conducted to assess the impact of the initiative. The students reflected on their experiences, identified areas for improvement, and discussed strategies for sustaining cleanliness efforts in the long term.

Conclusion:

The cleanliness drive organized by students of St. Vincent College Pune at Pepal Cemnory was a resounding success, reflecting their commitment to community service and environmental stewardship. Through their collective efforts, they not only cleaned and beautified the Cemnory but also raised awareness about the importance of cleanliness and sustainable living practices. The event exemplified the spirit of volunteerism and solidarity, inspiring positive change within the community.
