**SUBJECT** : Optional German / French Classes

Dear Parents,

St. Vincent College of Arts and Commerce is considering tying up with '**Speak Orange Academy**', an academy for the teaching of French and German classes., It will be a four-months course starting from 6 Sept, 2023 to 23 Dec 2023, of one hour duration daily, from 11 am to 12 noon in the college campus.

Knowledge of a foreign language such as German or French will stand a student in good stead when it comes to employment, as there is an increasing demand for bilingual professionals in all sorts of fields, including marketing and banking and even the medical field. Owing to the scarce availability of those speaking foreign languages, the demand for those who are bilingual is greater. Learning a foreign language also helps to sharpen the brain (especially listening skills and memory), and increase creativity. It also helps to understand another country's culture and would make it easier for an Indian student to gain entry into that particular country.

Naturally international travel is also made easier. Another value of language study is that it helps to build up one's business and analytical skills, so necessary for employment these days. Foreign languages can result in one's annual income being anywhere between Rs.3-12 lakhs.

"Foreign languages also open the door to art, music, dance, fashion, cuisine, film, philosophy, science and more". - (**Speak Orange Academy**)

"It is the experience of many that giant companies like Google, Netflix, Amazon, etc. recruit language experts capable of interacting in foreign markets" - (**Speak Orange Academy**)

Course fee for the program to be held at St. Vincent College of Arts and Commerce will be Rs.10,000/- for our college students and Rs.15,000/- for all others. This fee is very low as compared to what you may be charged outside. The fee of Rs.10,000/- is due to a subsidy of Rs. 2,000/- from the side of the management of the college . It would otherwise be 12,000/-

Registration for this course will be at the college office. Ms Shaheen will be the contact person. You are required to register by 3 September, 2023.

**Please state whether you plan to take German or French.**

For further details kindly refer to the summary sheet attached.

With best wishes,  
Yours sincerely,
