Date of Event	22 nd August 2024 to 24 th August 2024	Place of Event	Desur Karnataka
Objective of the event	To create ecowarriors		
Name of the resource person	Dr. Vini Sebastion		
A short narration of the program			
Ecology Workshop at Desur Karnataka			
<p>The Jesuit Higher Education Association of South Asia – West Zone, organized a workshop on being an eco-warrior, which was held in Desur, Belgaum in Karnataka from 22nd August 2024 to 24th August 2024. The program saw the participation of seven different Jesuit institutes from Maharashtra, Karnataka and Goa. A total of 74 participants including 8 participants from St Vincent’s attended the 3-day workshop. The eight participants included 7 students and a faculty member. The workshop gave the participants an overview of the environmental issues and its intricacies on the first day, touching topics such as biodiversity and eco spirituality. The second day involved an excursion to different sites which have been transformed by watershed management. Visit was also paid to a village where the transformative power of Self Help Groups in changing a village of less than 200 people was seen. The last day of the workshop involved the participants transplanting Ragi and it was followed by a visit to the Rajhans fort outside Belgaum,</p> <p>The ecology workshop was truly a different experience from any camps or trips that the students had been in. It had the right balance of knowledge based seminars and physical and outdoor activities. The workshop taught the students a lot of practical things that they could do for our environment on a day to day basis as well as at the college level.</p>			
Name of the Collaborating Agency	JHEASA West Zone		
Learning Outcomes of the Event for the Participants	Students learnt about the intricacies of the environment and what could be done for helping the environment
