Name/s of the Resource Persons	_____					
A short narration of the program						
<p><b>Diwali Rangoli Design Competition</b></p> <p>In celebration of Diwali—the Festival of Lights—St. Vincent College, Pune, organized a Rangoli Design Competition on October 17, 2025, in the college. The event aimed to promote Indian cultural heritage, foster creativity among students, and mark the spirit of Diwali through a traditional art form that symbolizes welcome, prosperity, and communal harmony.</p> <p>The competition was open to all undergraduate and postgraduate students. Participants worked individually or in small groups to create original rangoli designs using colored powders, flowers, and eco-friendly materials. Emphasis was placed on aesthetic composition, thematic relevance to Diwali, and adherence to traditional motifs such as lotus patterns, diyas (lamps), and geometric symmetry, while also encouraging contemporary interpretations.</p> <p>A panel of faculty members served as judges, evaluating entries based on creativity, neatness, cultural authenticity, and overall visual impact. The judging process was conducted impartially, with winners selected across categories that recognized both traditional excellence and innovative expression.</p> <p>The event successfully reinforced the college's commitment to integrating cultural celebration with student engagement. By reviving and reimagining a time-honored practice, the competition provided a meaningful platform for students to connect with India's artistic traditions and collectively embody the values of Diwali—light over darkness, knowledge over ignorance, and unity in diversity.</p> <p>Certificates of participation were awarded to all entrants, and prizes were conferred upon the top three designs during a brief closing ceremony. The vibrant displays remained on view throughout the day,</p>
