A short narration of the program			
Guidance Lecture on "Careers in Accounts & Finance" at St. Vincent College			
St. Vincent College recently organized a guidance lecture titled "Careers in Accounts & Finance" for the first-year Commerce students. The session was aimed at introducing the first year students to a plethora of career opportunities available in the fields of accounting and finance. The lecture was delivered by, Mr.Vishal Gada, Co-Founder & CMO of FPA Edutech, who discussed the vibrant nature of the finance sector. He analyzed market trends and emerging opportunities and the impact of technology in the field of accounting and finance. He gave an overview of various career paths, including public accounting, corporate finance, investment banking, and financial planning. He advised students to acquire professional certifications such as ICAI, ICSI, CMA, CFA, CFP, CPA, ACCA etc alongside their graduation and gave a comparative analysis of cost, eligibility, expected industry and pay packages. He also gave tips to select and obtain professional certifications. The speaker highlighted the importance of acquiring key skills such as analytical thinking, attention to detail, and proficiency in financial tools, which are essential for success in this field. He also laid emphasis on the application of accounting and financial knowledge in a range of industries, from corporate finance to banking, auditing, investment management, and taxation. Students actively participated in the Q&A session, asking questions related to career progression, challenges in the field, and the scope of finance in the global market. The event concluded with a message from the faculty, encouraging students to make the most of the college's resources and career counselling services to prepare for their professional journeys. The guidance lecture was well-received, leaving the students motivated and better equipped to plan their careers in the competitive field of accounts and finance.
