Online session via Google Meet on the theme of “Bringing Transformation Through Positive Use of Digital Platforms”			
On July 26, 2024, an online session via Google Meet on the theme of “Bringing Transformation Through Positive Use of Digital Platforms” was held. The meeting began with a short Prayer, extending a warm welcome to all our attendees, including our esteemed guest and speaker Reverend Fr. Nithin Monteiro SJ. This meeting was also attended by Andrea Vaz, Joanne D'silva, Lawrence D'souza, Meagan Vaz, Percius Rajan, Sera Ruth Swami, Daniella Mascarenhas and Gregory Lobo from our college. Fr. Nithin emphasised that as digital citizens we live in a digital universe teeming with websites, video games, blogs, books, films, and more. Creating, remixing, sharing, and critiquing content constitute our digital rituals. These actions define our engagement with the online world. By embracing disruptive innovation and conscious communication, we can navigate the digital plentitude with purpose and impact. This session also aimed to encourage us that our words matter. Through blogs, newsletters, and podcasts, we amplify voices— our own and others’. Content creation, including memes and animations, could serve as powerful tools to impact lives. By creating impactful content and fostering meaningful conversations, we can transform lives and society.
