A short narration of the program			
Introduction to Artificial Intelligence Lecture On 2nd August 2024, St. Vincent College hosted a lecture titled "Introduction to Artificial Intelligence," conducted by Miss Gayatri from Pratham, Pune. This lecture was aimed at introducing the students to the fundamental concepts and applications of Artificial Intelligence (AI). Pratham Pune, known for its diverse certification programs under Corporate Social Responsibility (CSR) initiatives, provides a valuable learning opportunities for the students. The lecture included an interactive Q&A session where students asked questions about AI’s impact on society, ethical considerations, and educational paths for aspiring AI professionals. Miss Gayatri provided thoughtful responses, addressing students' curiosity and concerns. It successfully introduced the students of St. Vincent College to the fundamentals of AI and its significance in various fields. The lecture not only enhanced the students' understanding of AI but also inspired them to consider potential career paths in this rapidly evolving field.
