A short narration of the program			
Lecture by TRAI and RBI Officials			
On 16th August 2024, St. Vincent College hosted a joint lecture by officials from the Telecom Regulatory Authority of India (TRAI), the Reserve Bank of India (RBI), Rajendra Singh and A G M Pranit. The session, as announced on the college notice board, was held from 8:00 AM to 11:00 AM and was open to both staff and students. The lecture aimed to educate attendees about the key activities of TRAI and RBI, and to raise awareness about consumer rights, online transactions, and financial safety in the digital world. The TRAI officials began the session by introducing the regulatory framework of India’s telecom industry, emphasizing their role in ensuring consumer protection, promoting competition, and monitoring the quality of services provided by telecom operators. They outlined key initiatives, such as Telecom tariff regulation, consumer grievances, 5G services and promoting consumer awareness on MNP and DND. Officials from the Reserve Bank of India (RBI), spoke on the importance of financial literacy and security, particularly in the context of online transactions. They provided an overview of RBI’s key functions, which include Regulating the monetary and financial systems, issuing guidelines to banks and digital payment platforms to protect consumers from financial fraud and Ensuring the security of online banking and digital payment transactions. The RBI officials discussed several important topics related to online financial safety such as the risks of digital transactions, Safe practices for conducting online banking, and RBI’s grievance redresal mechanisms for consumers to report fraud or errors in their digital transactions.
