A short narration of the program			
Guidance Lecture on "Careers in Accounts & Finance" at St. Vincent College			
St. Vincent College recently organized an insightful guidance lecture titled "Careers in Accounts & Finance" for the second-year and third-year Commerce students. The session was aimed at providing students with a comprehensive understanding of the various career paths available in the field of accounting and finance. The lecture was delivered by an experienced industry professional, Mr.Vishal Gada, Co-Founder & CMO of FPA Edutech, who shared valuable insights on the dynamic nature of the finance sector. He analyzed market trends and emerging opportunities and the impact of technology on accounting and finance. He gave an overview of various career paths, including public accounting, corporate finance, investment banking, and financial planning. He advised students to acquire professional certifications such as ICAI, ICSI, CMA, CFA, CFP, CPA, ACCA etc and gave a comparative analysis of cost, eligibility, expected industry and pay packages. Students were encouraged to consider pursuing these qualifications alongside their undergraduate studies to increase their employability. He also gave tips to select and obtain professional certifications. The speaker highlighted the importance of acquiring key skills such as analytical thinking, attention to detail, and proficiency in financial tools, which are essential for success in this field. Emphasis was placed on the relevance of accounting and financial knowledge in diverse industries, ranging from corporate finance to banking, auditing, investment management, and taxation. The lecture further explored job roles in finance, such as financial analysts, auditors, tax consultants, and investment bankers. The speaker provided practical advice on how to

build a strong portfolio, the importance of internships, and how networking can open doors to promising opportunities in the finance world.

Students actively participated in the Q&A session, asking questions related to career progression, challenges in the field, and the scope of finance in the global market. The event concluded with a message from the faculty, encouraging students to make the most of the college's resources and career counselling services to prepare for their professional journeys.

The guidance lecture was well-received, leaving the students motivated and better equipped to plan their careers in the competitive field of accounts and finance.
