A short narration of the program			
St. Vincent College organized a 30-hour training course on Tally and Zoho Books, in collaboration with the Bibvewadi branch of ICA. The program aimed to equip students with essential accounting and financial management skills using these industry-standard software tools. The course focused on practical applications of Tally, including ledger creation, voucher entries, and generating financial statements, providing students with hands-on experience in computerized accounting. Simultaneously, the Zoho Books module introduced students to cloud-based accounting practices, covering invoice creation, tax compliance, and real-time financial tracking. The training was conducted by expert faculty from ICA, ensuring that students gained both theoretical knowledge and practical proficiency. The program was well-received, with participants expressing enthusiasm for the interactive and skill-oriented approach. This initiative underscores St. Vincent College’s commitment to preparing students for professional success by aligning their learning with current industry practices.
