Distinguishing Features

- As an undergraduate student I had undertaken the above project in my vocational studies. In this project I had considered various challenges face by print media. I had conducted the survey in which I interviewed the experts and practitioners of reputed newspapers and I had also interviewed masses at of different levels.
- I have completed Faculty Development Programme organized by BMCC in 2019
- I was awarded first prize in story writing at district level, organized by *Lokmat* newspaper group
- I have worked as an External Senior Supervisor for SPPU Examinations.
- I have worked under the various committees in the previous colleges.
- I have done anchoring at NAAC cultural programs and National level seminars at S.G.K.College.
- I have also done free-lance writing for the local newspapers
- I was awarded as a “Best Student of the Year” at the undergraduate level.
- I have won prizes in debate competitions at state level while being a student
